

Loft Martini Menu

1st Choose Your Gin or Vodka from our spirits list

2nd Choose The Method

Stirred

Stirring minimises the amount of dilution that occurs, maintaining clarity and texture for a silky smooth mouth feel.

Shaken

Ordering a Martini 'shaken' means the cocktail will be more agitated and therefore more diluted.

Thrown

Throwing is an old-school technique pouring a Martini from a tumbler high above into a tumbler held below.

3rd Choose Dry or Wet?

Dry

A slight splash of vermouth, or even just a glass-coating wash.

Wet

'Wet' means there's a higher percentage of vermouth, with a typical ratio being 3 parts gin to 1 part vermouth.

4th Which Garnish Goes Best? You Choose

Dirty

Your drink is "dirtied" with olive brine, usually 5ml or a barspoon worth.

With A Twist

A strip of citrus peel, releasing aromatic oils. The botanicals of your gin determine which zest goes best.

Burnt

A splash of smoky single malt added to your drink.

Gibson

Pickled onion is used instead of olives or a citrus twist.

Perfect

A 'perfect Martini' is one that uses 50% dry vermouth and 50% sweet vermouth for the vermouth content
